

Gaston County and NCDOT are currently in the process of updating the County's Comprehensive Transportation Plan (CTP). The CTP is a long-range, multimodal plan that represents the County's vision for the transportation network over the next 25+ years. The CTP provides many benefits, including:

- Establishing a long-range vision
- Identifying current and future transportation needs
- Positioning the County to submit projects for prioritization and funding

Gaston County Comprehensive Transportation Plan

Public engagement will take place throughout the development of the Study. Opportunities will include:

Project Website

Public Meetings

Stakeholder Interviews

Community Surveys

Social Media Engagement

Visit www.gastonctp.com to learn more.
